Mockerkin street-light: Allerdale BC required letters from Loweswater PC officially requesting the replacement light together with a letter from the land-owners stating they were happy to have a replacement light placed on their land. Both letters have now been sent.

Land at Thackthwaite: Enquiries ongoing - a verbal update will be given at the meeting.

Defibrillators in Public Phone Boxes: After the receipt of the planning application I consulted with the local First Responders team (Les Webb) and have had a phone conversation with CHT. The phone box at the western end of the lake has no electricity connection, hence its exclusion from the list. BT are to use the box by the Kirkstile as an example of the project and are to cover the costs.
